## Bay County COLD CASES

These unsolved cases go as far back as 1976 to the disappearance of Joanne Benner, a 21 year old female that went missing from her Titus Road residence on May 1, 1976, leaving behind two small children. Blood was found inside the residence.

Among the unsolved cases is the murder of Vivian Lee Edwards. The 32 year old woman was

discovered missing from her Dolphin Drive residence on January 26, 1983. Blood was found inside the residence and in 1988 her body was found in a wooded area in Walton County, Florida.

Another woman, 19 year old Elizabeth Prescott went missing on April 30, 2004 from her apartment at Abalone Apartments, located at 522 N. Tyndall Parkway. She had been to Wal-Mart earlier and has not been seen or heard from since that date.

We have other "cold cases" published in this edition....and we will have more in future editions of the weekly COUNTY PRESS.
